Weekly Information Bulletin

Date: Friday 23 February 2024

Catholic Life - This year we are focusing on 'Year of Live Simply'.
Termly Theme: Dignity of Work and Participation
Termly SJW Values – Eloquent and Truthful

This week in weekly worship... "We focused on our CAFOD Lenten Appeal. This links to the **Dignity of Work and Participation** as communities around the world often rely on charities like CAFOD to help with levels of poverty. We thought about the different types of technology we use every day and how this technology can help to save lives. As a school, we are taking part in CAFOD's Big Lent Walk to raise money for CAFOD so they can continue to help communities around the world. I like Weekly Worship because we focus on different topics and try to help other people".

This week in afternoon prayer... "We prayed for Ash Wednesday. This is because we are celebrating the start of Lent, a time that allows us to reflect. We also thought about the World Day of Social Justice. This has a link to our CST focus this term which is the **Dignity of Work and Participation**. All people should be entitled to a fair and dignified life. We also prayed for CAFOD and will raise money through our Big Lent Walk so that we can support people around the world. I like Afternoon Prayer because we pray together and put others before ourselves".

Speak Out Challenge Oracy Workshop and Competition

On Friday 9 February, 25 Year 10 pupils took part in the Speak Out Challenge Oracy competition. This competition also acted as a workshop which aimed to empower pupils to understand the importance of being able to express themselves confidently through spoken language. Pupils learnt a range of strategies and tips to help them with their oracy and in the process learnt a lot about themselves and each other. At the end of the day pupils presented back speeches to the rest of the group on topics that they were passionate about using the new skills and techniques they had gained from the workshop.

Well done to all the pupils who took part! The visitors were very impressed by the speeches given and how the confidence of all pupils grew throughout the day.

Congratulations to the pupils below who won the challenge with their fantastic speeches!

- Mercedes Johnson 10HAS
- Simran Gill 10MCI
- Kelly Odiase 10WIO
- Sarah Manu 10MCI
- Kobi Mensah 10RES

These pupils will now have the opportunity to be entered into a semi-final and potentially a regional final against other schools where they can present their speeches and have a chance at winning the competition.

The comments from pupils below show how much they enjoyed the workshop.

By Mr McIntosh

"The main thing that I will take away from the workshop is that I should be more confident when having a presentation or when having a speech so I can express my thoughts because they are important too".

By Nicola Matusik 10RES

"The workshop taught me the importance of listening to others carefully".

By Ameira Peart 10MCI

"I liked the workshop because it made me realise that I can be more confident when I try my best and have people to support me".

By Shoaib Ghalib 10RES

"The most valuable part of the workshop was when we made our own speech about a topic which is important to us. I liked this because it helped me build up my confidence".

Visit to St Mary's Coffee Club

Today was Tai Chi which pupils were very keen to participate in once they'd helped organise chairs and refreshments for guests with tea and coffee. Pupils enjoyed it so much they were given a round of applause for their efforts afterwards. Next week is a leap year party so pupils will be helping organise skittles games.

Dear Parents/Carers and Students,

RESTORATIVE APPROACHES – REMINDER FROM WEST MIDLANDS POLICE

We are aware that conflicts can occur in the school setting, between students, which can evoke a strong emotional response within the students themselves, and also their wider family. It's important that this emotional response doesn't escalate matters into incidents of violence either within school or out in the wider community.

You should already be aware that, as part of our safeguarding arrangements, the school has a two-way information sharing agreement in place with West Midlands Police, and we are also active members of the local Police & Schools Panel. This joint approach helps us to intervene early to prevent and reduce crime and anti-social behaviour involving our students; provide additional support, and up-to-date safety messages.

In partnership with the police, we would like to remind our parents/carers and students about the following: -

- **Tell Somebody:** If you have concerns that you, or a member of your family, are being targeted with threatening or abusive language/behaviour, either face to face or via social media, speak with the school to share these concerns at the first opportunity.
- **Help to Resolve Matters:** There are a range of options to support you with this, including speaking with our *School Intervention & Prevention Officer from the Police*, who can listen to your concerns and offer advice on formally reporting the matter, accessing additional support, or arranging a restorative conversation to look at possible resolutions agreeable to both parties, without the need for further police intervention.
- **Taking Matters into Your Own Hands:** We understand that receiving abuse of any kind can be deeply unpleasant/upsetting for many of us, and it is only human to have an emotional response to such things. However, by acting on these emotions you could further escalate issues, and quickly find yourself out of your depth - We want everyone to keep themselves safe and avoid getting a criminal record wherever possible.
- **Social Media:** Don't allow your use of social media to put you at risk of grooming, exploitation, or regret in the future. Use social media positively and avoid being negative about anyone online as comments/actions may be traced back to you and you will be held accountable.

Whilst we hope that everyone enjoys safely socialising with friends and family, we also want to ensure they feel confident to keep themselves safe and away from any harm. Additional information on keeping safe can be accessed from the following links: [ONLINE SAFETY | policeandschools.org.uk](https://www.policeandschools.org.uk) | [BULLYING | policeandschools.org.uk](https://www.policeandschools.org.uk) | [RESTORATIVE APPROACHES | policeandschools.org.uk](https://www.policeandschools.org.uk)

Yours faithfully,

K Marston
