This week in Weekly Worship...

"This week in Weekly Worship, we focused on our Advent Appeal Launch. We listened to a piece of scripture that showed us that Jesus' kingdom is not about power but is about **love**. We should follow in his steps. As part of Advent, we are doing a reverse calendar. Year 7 have the responsibility of donating items to St Chad's Sanctuary. We can be **loving** and **compassionate** by supporting those who struggle in the world. I like Weekly Worship because it's a way of learning more about the world".

By Liyah Rani 7RES

This week in Afternoon Prayer...

"We prayed for Christ the King. We spoke about the qualities of Christ and how we should always try to be **loving** and **compassionate**. We also prayed for **Dignity**. This is about respecting the human person but also sharing your respect. We also prayed for young people, that their voices are always heard. I like Afternoon Prayer because it is way to gather together as a school".

Flu Vaccinations for Children

Why should I have the flu vaccine?

Flu can be a very unpleasant illness causing fever, stuffy nose, dry cough, sore throat, aching muscles and joints, and extreme tiredness. This can last several days or more. Some people develop complications and need to go to hospital for treatment.

What are the benefits of the vaccine?

Having the vaccine will help protect you from what can be a very nasty illness. It can help you avoid having to miss out on the things you enjoy and disruption to your education.

Why are so many young people being offered the vaccine?

The vaccine will help protect you against flu and reduces the chance of you spreading flu to others so in turn helps protect your family and friends. It will help to reduce flu levels in the population in the winter when there may be pressure on the NHS with COVID-19 and other respiratory viruses in circulation.

I had the flu vaccination last year. Do I need another one this year?

Yes; flu viruses change every year so the vaccine may be updated. For this reason, we recommend that you are vaccinated against flu again this year, even if vaccinated last year.

Where can I get more information?

Visit www.nhs.uk/child-fu for more information.

Talk to your GP, or practice nurse if you have any further questions.

Free Mobile Data

Free data for those who need it most.

The National Databank provides free mobile data, texts and minutes to those living in data poverty. It's like a foodbank, but for mobile data.

If you're struggling to stay connected, ask for the National Databank in any O2 store.

For more information visit: [National Databank | Free Mobile Data, Minutes & Calls](https://www.nationaldatabank.org.uk/)

Free Bus Travel

Monday 9 to Friday 13 December 2024, from 7pm
Just hop on board

Between **Monday 9 December and Friday 13 December** all of the region's buses will be **FREE** to use **from 7pm onwards**. Passengers can simply hop onboard and travel anywhere across the West Midlands bus network.

The offer is valid for travel on **any bus** in the bus travel zone shown below and beyond with some operators. See [Free Bus Travel | Transport for West Midlands](#) for full details.

Our school is committed to travelling more sustainably. This is a fantastic chance to try leaving the car behind and travel by public transport to reduce carbon emissions, improve air quality and avoid traffic congestion.

Equipment

Pupils having the correct equipment and being organised is essential to their success at school. Organisation is also an important life skill. Can we please ask for support from all parents in checking their child has the equipment featured on the list below:

- Black / blue pen x 2
- Purple pen
- Pencil
- A highlighter
- 15cm or 30cm ruler
- Rubber
- Reading book (Year 7, 8 and 9 pupils only)

Sharpeners and compasses will be provided by school and pupils should not have these items on them.

Thank you for your ongoing support.

Catholic Life

Class Mass

When we returned to school after half term, we celebrated class Mass at St Augustine's Catholic Church. Thank you to Year 9 Science for their excellent behaviour and reverence. Thank you also to Mrs Ilyas for her support and to Fr Subba and the parishioners at St Augustine's Parish for their welcome.

Anti-Bullying Week

After the half term, pupils in the Chaplaincy Teams began to prepare for Anti-Bullying Week. The theme this year was 'Choose Respect'. As a group, we discussed the importance of this week and thought about what we can do to empower young people not to bully. We thought about how we can be **loving** and **compassionate**, even if we don't always agree with others!

Pupils visiting the Chapel during this week also took part in some Anti-Bullying Week activities including wordsearches, kindness colouring and designing their own odd socks!

Red Wednesday

During November, we also celebrated Red Wednesday. Pupils throughout the school had a Weekly Worship focused on this. Red Wednesday is a day when we stand in **solidarity** with our brothers and sisters around the world who are persecuted for their faith. Pupils in the Chaplaincy Teams were tasked with planning the whole school Weekly Worship for this week. They used the iPads to research the relevant scripture and to find out more about the day.

All pupils in the Chaplaincy Teams also watched the Red Wednesday Secondary School Live Stream from Aid to the Church in Need. This was a live stream of prayer and activities, allowing pupils to understand how they can make a difference to suffering children around the world.

Advent Appeal Launch

At the end of November, we launched our Advent Appeal. Pupils in the Chaplaincy Teams were also tasked with planning and leading a whole school Weekly Worship around this. Pupils used the iPads again to research to find relevant scripture and to research the charities that we are donating to this Advent. Well done to all pupils for being so **curious** and **active** in wanting to plan this and in wanting to collect items for those in need.

Catholic Social Teaching

Pupils in our Chaplaincy Teams have also been exploring Catholic Social Teaching in Action. We looked at resources from the Catholic Children’s Society and explored how Catholic Social Teaching came about. Pupils found out about the industrial revolution and how it had an impact on modern day Catholic Social Teaching. We explored them all in detail and thought about small things we can do everyday to put them into action.

Creating prayers

Pupils have also been **curious** and **active** in helping to create prayers that can be used for our daily prayer in form time and our whole school Afternoon Prayer. Pupils visited the library to come up with some prayer ideas. Well done to the pupils for also doing some extra work and finding some information suitable for our reflections too.

Attendance and Punctuality Prizes

Attendance for all year groups so far this year is 93.4%. Unauthorised absence stands at 3.3% - this accounts for absences which cannot be authorised with a valid reason, e.g. no medical evidence, holidays, etc. Punctuality to school shows that 1.3% are late after the register has closed.

We request that parents/carers continue to support their child’s attendance by encouraging them to aim to be in school every day on time. As the weather becomes more challenging, ensure you are taking precautions to avoid colds and flus. Also, aim to make any medical or other appointments outside of school hours.

There are 189 pupils in the school with 100% attendance this term. Attendance to school every day increases the likelihood of pupils achieving better grades at GCSE. To reward pupils who have 100% attendance and punctuality, there will be a prize draw on Thursday 19 December for 3 pupils to win a prize. Please see poster below:

Head of Year News

Head of Year 11

We are pleased to invite you to the Year 11 Parents' Evening, this an important opportunity to discuss your child's progress and Mock 1 results. This will take place on 12 December 2024 - 4pm - 6pm. Pupils will be arranging appointments with their teachers. This evening will provide you with a chance to meet with your child's subject teachers, review their current performance, and receive tailored advice on how to support them during this crucial year. Your engagement and support play a vital role in your child's success. We look forward to seeing you there.

Helping Your Child with Post-16 Choices

As your child is in Year 11, they will face important decisions about their future education and career paths. Your guidance and support can be instrumental in helping them make the right choice. Here are some practical ways you can assist:

1. Explore the Options Together

- **Sixth Form or College:** Research the courses they offer, including A-levels, vocational qualifications, or apprenticeships.
- **Apprenticeships:** Consider hands-on learning and work experience as an alternative to traditional study routes.
- **Training Programs:** Look into specialized courses tailored to your child's career interests.

2. Identify Their Strengths and Interests

- Talk about their favourite subjects, hobbies, and career aspirations.
- Use tools like online career assessments or speak to a careers adviser at school for guidance.

3. Attend Open Days and Information Evenings

- Encourage your child to attend events at sixth forms, colleges, or apprenticeship providers.
- Join them to ask questions and get a firsthand look at the environment.
- Parents will need to inform school if their child is going to any open days/evening.

Discuss Career Goals

- Research potential careers and the qualifications needed to pursue them.
- Consider both academic and practical pathways that align with their ambitions.

5. Encourage Independence

- Let your child take an active role in the decision-making process while offering guidance and support.
- Help them weigh the pros and cons of each option without pressuring them into a specific choice.

6. Stay Positive and Supportive

- Reassure your child that they are not alone in making these decisions.
- Celebrate their efforts and remind them that there are many routes to success.

By working together, you can ensure your child feels confident and informed about their post-16 choices.

Yearbook

Reminder to pupils and parents about payments for Year 11 Yearbook. Currently the price for this is £15 payments can be made to the school office in cash. Thank you for those pupils who have either paid in full or put down a deposit - your Yearbook is secure. This is an opportunity for you to take away memories from the five years at St John Wall Catholic School.

Tips for Parents to Support Attendance

- Ensure your child has a healthy sleep routine and sufficient rest.
- Communicate with teachers if absences are unavoidable to arrange for catch-up work.
- Monitor your child's workload and provide support to manage stress, ensuring they stay motivated to attend school.

Encouraging and supporting regular attendance can significantly enhance your child's chances of GCSE success and build a strong foundation for their future.

Revision will continue after school for an hour - please ensure pupils are going straight home due to the winter weather being colder and considerably darker. **By Mrs Chand**

100% Attendance and Punctuality

I am writing to express our appreciation for the remarkable improvement in pupil attendance this month. It is so lovely to see so many more pupils added to the 100% attendance. This is a fantastic achievement, and I want to commend both our pupils and our families for their dedication and commitment.

Regular attendance is vital for ensuring that all pupils achieve their full potential. Every day at school is an opportunity for learning and growth, and missed days can lead to missed education. Therefore, it is crucial that all pupils attend school every day.

I encourage everyone to keep up this excellent work. Consistent attendance not only supports academic success but also fosters a sense of responsibility and discipline that will benefit pupils throughout their lives. Great attendance will undoubtedly lead to great results.

Thank you for your continued support in making our school a place of excellence and achievement.

Mental Health and Wellbeing

Throughout the year, pupils in Year 7 and 8 have the opportunity to participate in 'Quo Vardis, Being Me', a wellbeing program from the Kenelm Youth Trust. This fabulous program invites young people to explore topics such as:

- Feelings and emotions
- Stress and Anxiety
- Anger
- Depression and Suffering
- Hope and Gratitude
- Called to a Definite Service

Throughout these sessions, pupils are offered the time and space to discuss these issues, as well as explore practical wellbeing techniques that can support them throughout their lives. There are also lots of opportunities for prayer and reflection, led by various members of the Kenelm Youth Trust, Sr. Emanuela (all the way from Rome!), Jo Boyce and Sarah Kroger, a Christian singer songwriter from Nashville. As well as this, pupils receive their own journal which is packed full of support and advice, as well as wellbeing activities, links to uplifting music, and websites for additional support. All pupils will bring home their journal at the end of their program, with the last of the booklets arriving home before Easter holidays.

We ask that you please keep these booklets safe when they are brought home and invite your child to use them as often as they need to. Should you need additional support for mental health and wellbeing, please visit our website.

Christmas Card Competition

Our annual Christmas card competition is here! The winning design could become the official Titan Student Christmas Card. Pupils can submit either hand-drawn or digital entries. See the poster for more details—we can't wait to see your creative ideas!

Festive Season Competitions by Year Group

As we look forward to the Christmas season, pupils across all year groups will participate in exciting creative challenges that celebrate the traditions and values of Catholic life. Here's what each year group will be working on:

- **Year 7:** Build a **Nativity Scene**, a touching representation of the birth of Jesus Christ, focusing on humility and love at the heart of the Christmas story.
- **Year 8:** Create a **Jesse Tree**, symbolizing Jesus' ancestry and connecting key Biblical figures leading up to his birth.
- **Year 9:** Design an **Advent Calendar**, with daily messages or reflections to help us spiritually prepare for Christmas.
- **Year 10:** Construct a **Sustainable Christmas Tree**, combining traditional festive decorations with eco-friendly materials to highlight our role as stewards of God's creation.

These activities are a wonderful way for pupils to deepen their understanding of meaningful Catholic symbols, while fostering creativity, teamwork, and reflection.

Let's come together as a community to make this festive season unforgettable, celebrating creativity, faith, and sustainability!

Get Ready for Rewards Week (9th-13th December)!

We're thrilled to announce that over 500 rewards have been purchased by pupils during form time computer room bookings—an incredible achievement! As we gear up for Rewards Week, I can't wait to spread the Christmas cheer and personally deliver your well-deserved rewards.

Thank you for your hard work and dedication—let's make this Rewards Week a memorable celebration of your efforts! 🎁🌲

November 2024 Newsletter

School Games Regional Conference

12th November 2024

The Regional Conferences 2024 built on the summers National Summit and responded to the key messages shared and developed on the day. The regional conferences aimed to embed the connectivity and synergy of tackling inequalities, youth engagement and physical literacy whilst supporting School Games networks to hone in on 'the why, the what and the how' for tackling inequalities and how it relates to their local context.

It was a really exciting day of networking with other SGO and sharing good practice!

Sessions included:

Data, data, data! What is the data telling us, why its important and how it can help shape the future School Games offer. This workshop will focus on the most under-served young people in our schools and how School Games can be a positive disruptor to improve their future.

Championing Inequalities: World Café: This is a series of bite-size networking workshops to develop knowledge and understanding of, and how to increase engagement with, specific target groups. Delegates will only attend two targeted groups workshops which can be booked when registering your place.

In their shoes: Utilising the physical literacy lens and youth voice approaches to ensure positive movement experiences for all young people: A practical workshop led by NGBs and lead practitioners, honing in on youth voice and physical literacy in practice to showcase how to deliver sports and activities that foster positive movement experiences through how to move, think, feel and connect to create enjoyment, meaning and value.

School Games: Bringing schools and partners with you locally: Delivered by communications experts, this interactive session will bring to life research on how School Games can impact on key priorities across schools and local stakeholders; and share resources you can use to advocate for the value of School Games and influence local buy-in and practice.

Sport Birmingham Celebration Event

The evening began with a lively warm-up by Perry the Bull, followed by a welcome from Mark Taylor, Chair of the Board. The event was hosted by Ama Agbeze, one of Birmingham's most successful athletes, former captain of the England netball team with over 100 caps. She most notably won gold medal at the 2018 Commonwealth Games, was honoured with an MBE for services to Netball in 2019. Furthermore, Ama is a qualified lawyer, broadcaster and keynote speaker! Ama introduced Eloquent Dance, a local dance group that dazzled the audience with their energetic performance. The group's impressive skills and talent were also on display at the 2022 Commonwealth Games.

KS2 Indoor Cricket at Hamstead Hall – Inspire & Engage Event

Schools within the partnership were asked to bring along Yr4+Yr5 students to an 'inspire and Engage' event. Allowing students the opportunity to learn new skills and play in friendly non-competitive cricket game.

Thank you to the following schools for attending and thank you to the amazing students who tried their very best and hopefully gained some enjoyment through sport:

1. Cherry Orchard Primary School
2. Dorrington Academy
3. Grestone Academy
4. St Marks Catholic School
5. St Patricks/St Edmunds Catholic School

A massive thank you to the guys from ACE for supporting with the running of the event!

ACE - Through the ACE Programme, Warwickshire Cricket Foundation engages young people of African and Caribbean Heritage and aims to inspire the wider game to support reconnecting the black community with cricket.

KS2 Basketball Event at Windsor Olympus – Inspire and Engage

Schools were asked to bring a team of 8 students to Windsor Olympus to experience different basketball skills delivered through drill by Yr7 and Yr8 students from Windsor Olympus. The leaders were fantastic, very confident, knowledgeable and supportive in their delivery and very accomodating when supporting with toilet trips and water bottle filling 😊

Thank you to the following schools and students for attending and giving 100%

1. Dorrington Academy
2. George Dixon Primary School

Bring It on Brum

Bring it on Brum! is a FREE Holiday Activity and Food Programme funded by the Department for Education, designed for children and young people across Birmingham to have healthy, active, fun-filled school holidays. Bring it on Brum! believe that everyone deserves a good break and that school holidays are better when children and young people are active, having fun, being entertained and learning new things.

If your child is aged between 4-16 and is eligible for benefits-related free school meals, then they are entitled to access the Bring it on Brum! holiday clubs for free! There are a huge range of activities available including sports and games, arts and crafts, cookery, dance and music. Programmes vary depending on the type and location of each local club and each holiday club will give your child a nutritious meal too! We hope you will take advantage of these fantastic FREE holiday clubs across Birmingham so your child/children can have a fun-filled and safe holiday!

Parents/carers will need a Bring it on Brum! code to book holiday activities through the website or directly with the holiday club. To find out more information on the programme please visit the Bring it on Brum! website www.bringitonbrum.co.uk or speak to your school office.

All information will be sent via MCAS and parents' emails.

Toy safety

“I would hate for any other child to go through what Becca suffered because of buying dangerous toys via online marketplaces.”

Mum of two-year-old Becca who swallowed magnets from a toy

Toys from reputable brands are made to be safe. But if they've come from an unknown seller on an online marketplace, a market or small discount store, they could be dangerous.

Buying safely

- Buy toys from brand names you know. If you've never heard of the seller or the brand and price is really tempting, it could be dangerous
- Watch out for cheap copies of popular toys. They may not be made to UK safety standards.
- Check if the toy has been removed from sale because it's unsafe. Visit gov.uk and search 'product recalls'
- If you buy something that looks unsafe, trust your instincts and send it back.

Under 3s most at risk

Babies and toddlers are curious and naturally put everything in their mouths. So dangerous toys can pose the biggest risk to small children. Be especially careful when buying for under 3s.

Watch out for missing or contradictory age warnings. If a toy is pictured with a toddler but marketed as unsuitable for young children, pick something else.

Which toys are most dangerous?

- Toys with:
 - accessible button batteries that can burn through your child's food pipe
 - super strong magnets that can rip through your child's belly
 - long cords that can strangle your child
 - small parts that can choke your small child
- Water beads that can block your child's bowel if swallowed
- Electrical toys with exposed wires or chargers that can catch fire.

Checking toys

If you're unsure about the safety of a toy, here are some checks you can do:

- Check battery compartments for accessible button batteries or loose spares in the box
- Check for any loose small magnets
- Give the parts on the toy a quick tug and check for small parts that come off
- Look for long cords or access to stuffing
- Check if there are any age restrictions or safety warnings on the product.

Report dangerous toys

If you spot or buy a toy you're concerned about:

- Citizens Advice consumer helpline: 0808 223 1133
- Citizens Advice consumer helpline (Welsh-speaking adviser): 0808 223 1144
- Advice Direct Scotland helpline: 0808 164 6000

Keeping your child safe online

Always call 999 if you or your child is in immediate danger.

You can also call 101 to report non-urgent crime or visit www.west-midlands.police.uk/incident-report to fill in an online form

Report online sexual abuse at www.ceop.police.uk/Safety-Centre

Talk to your child's school about their mobile phone policies

It's important that children have the opportunity to explore, learn about online spaces and relationships, and – on occasion – have negative experiences or make mistakes. Have an honest conversation with your child about staying safe online and set up some house rules to protect them. Here are a few top tips:

1. Start talking to your child about content they look at online and what apps they go on.
2. Get clued up on how different apps share personal information. Advise them to keep personal details off social media and keep profiles on private.
3. Get to know their friends in and out of school – they might be talking to different people online. It's good to ask what they talk about in their online chat groups
4. Check the age restriction before your child downloads an app. An app or game that could be suitable for one young person may not be suitable for another.
5. Use parental controls on your child's iPhone and iPad to restrict explicit content, purchases and downloads, and changes to privacy settings. By allowing two factor authentication on your child's iCloud account, it can prevent thieves taking their phone and using their data. Learn more about iPhone privacy settings here.

Stop radicalisation and exploitation

Anyone can be vulnerable to extremism and radicalisation, but children are particularly at risk. As they grow and become more independent, it is not unusual for them to take risks, explore new things and push boundaries. Educate Against Hate's website (www.educateagainsthate.com) offers practical advice and support to protect children from extremism and radicalisation. NetMums have partnered counter-terrorism policing to promote Act Early, a safeguarding website for parents, friends and families who are concerned, visit www.netmums.com/act-early for more information.

Report online sexual abuse

If you or your child is worried about online abuse or grooming, make a report to on CEOP's website www.ceop.police.uk/Safety-Centre

A Child Protection Advisor will get in contact and help you talk through what's going on. CEOP cannot help with bullying or account hacking.

For a child or young person, having a sexual image or video of themselves shared online can be a distressing situation. This can be difficult for parents and carers too, but there are ways you can support your child.

If they're under 18, they can use Report Remove. **Report Remove** is a tool that allows young people to report an image or video shared online, to see if it's possible to get it taken down. Provided by Childline and the Internet Watch Foundation, it keeps the young person informed at each stage of their report, and provides further support where necessary.
